

NON-SCHOOL GROUP PRICING INFORMATION DISCOVERY PARK OF AMERICA

Thank you for requesting information about group pricing at Discovery Park!

Below you will find the answers to our most common group questions.

If you need additional information, please call 731-885-5455 and ask for Group Reservations.

REGARDING TICKETS:

If you purchase 15 or more tickets at one time, you get a nice group discount. All pricing is PLUS TAX (which is 9.75% in Tennessee). If you are a tax exempt group, we need you to provide your tax exempt number when you book, and send us the signed form to keep from paying tax. (We cannot officially book your group as tax free without the tax exempt number.)

If you plan to arrive on a bus, we will meet you and give a small orientation. You can book this way if you:

- Have 15 or more guests coming on the visit
- Schedule two weeks in advance (1/2 total deposit required)
- Arrive in common vehicle
- Pay with one method of payment
- If you are tax exempt, you need to have the tax exempt number handy when you call to book/order.

If this will not work for your group, you can simply purchase “pre sale tickets” in blocks of 15 or more. You get the same discount; we just do not meet you at the bus. These tickets can be purchased by calling Group Reservations any day prior to your visit. We either mail your tickets or leave them at “will call” and you pass out the tickets on your end. With these tickets, your group can get in the fast line (for members and anyone with a ticket). Again, if you are tax exempt, we need your tax exempt number when you order to keep from having to pay tax. We never discount tickets on the day you visit.

We do not sell tickets at a discount on the day of arrival.

REGARDING FOOD:

We offer pre-ordered group lunches at Discovery Park for \$6.00 (Hotdog, hamburger or veggie sandwich with chips, a small drink and a dessert OR two slices of pizza with a small drink and dessert). We also have a full menu if you choose to not pre-order and get the group lunch. Once we order food from the Cafe, we cannot give a refund.

If you want to picnic: We have a very nice park about a mile north of Discovery Park in the industrial park in Union City. It has at least one pavilion and a walking path. Some groups who want to bring a picnic lunch go there to eat lunch. We do not have picnic accommodations on the Discovery Park Grounds at the present time. Also, be sure and ask about the Houser Creek Crossing Pavilion, located right next door to Discovery Park of America. This pavilion will be available to rent soon. You can find out more details about The Pavilion at Houser Creek by calling 731-335-6282.
