Description

The day shift security guard reports to the Director of Security, and in their absence, the Safety and Emergency Manager. Security is tasked with the responsibility of ensuring the safety and security of all guests, employees, exhibits, and artifacts. It is Security's duty to enforce the rules and safety guidelines set by the Director of Security and the Safety and Emergency Manager to ensure that Discovery Park is functioning safely and securely.

Duties and Responsibilities

- Maintain and implement security, safety, and emergency policies and procedures
- Exhibit knowledge about and accurately execute Discovery Park of America's Emergency Action Plan
- Conduct proper, in-depth searches of bags, strollers, wheelchairs, and any other structures that may have compartments upon entry and re-entry into the Discovery Center
- Diligently observe guests for potential weapons and any other illicit contraband
- Effectively and efficiently handle security-related issues including, but not limited to safety and emergency situations, disruptive guests/employees, disgruntled guests/employees, and any imminent threat to the safety of Discovery Park's guests, employees, exhibits, and artifacts
- Exhibit excellent customer service, including greeting guests, answering questions, and occasionally escorting guests to designated areas
- Stay current on new laws, guidelines, and policies pertaining to Safety and Security
- Secure premises and personnel by frequent foot patrol of the property, while also searching for potential safety hazards
- Monitor surveillance equipment, patrol the perimeter of the park, and respond to emergency calls throughout the Discovery Center and Heritage Park
- Analyze security footage and approve entry to the park through the Entry, North, and South Gates
- Work special events as needed, which may include after-hours and weekends
- Report to the Director of Security at the end of each shift
- Stand and conduct foot patrols for extended periods of time and lift 25-30 pounds
- Work outside in extreme weather temperatures

Qualifications
