HOSPITALITY & TOURISM TASKFORCE

The West TN Hospitality & Tourism taskforce will convene Hospitality industry leaders and public partners on a quarterly basis to discuss workforce needs and identify short and long-term goals.

June 22nd at 2pm

EVENTBRITE LINK

PURPOSE

To create a long-term partnership within the Hospitality and Tourism sector. To accomplish this, the taskforce will provide a platform for employers and peers to connect.

Through these connections, we will take a deep dive into the common workplace needs within the industry and align relevant partners, programs, and resources in order to produce long-lasting solutions.

The solutions created will aid in growing the industry and improving the regional economy.
