## MUSEUM

Discovery Park of America's iconic 100,000-square-foot museum showcases ten exhibit galleries focused on topics like science, space, technology, the military, natural history, regional history, art, transportation, and more. Guests experience:

- 4-D simulation of the early 1800s earthquakes that created the beautiful landscape in this region
- 20,000-gallon aquarium revealing the underwater life of the region's lakes
- Dinosaurs, fossils and prehistoric artifacts
- Military equipment, vintage automobiles, and an actual Titan missile ready to launch

## Heritage Park

The 50-acre outdoor heritage park includes a man-made river flowing through the extensively landscaped property, along with waterfalls, bridges, and other water features. Guests experience:

- Reproduction of an early 20th-century town with a working gristmill, windmill, one-room schoolhouse, and more
- Japanese, European, and American gardens
- Reproduction of an entire mid-19th-century frontier settlement
- 120-year-old church restored to its original glory
