Date Opened:	November 1, 2013
Date Updated:	January 16, 2025
Title:	Grounds Worker
Reporting to:	Director of Grounds
Full/Part time	Full time/Part-time
Exempt/Non-Exempt	Non-Exempt

Description

Reporting to the Director of Grounds, the Grounds Worker is responsible for maintaining the highest level of quality of the grounds at Discovery Park of America. The Grounds Worker will work closely with the Assistant Director of Grounds and the Grounds Supervisor in making sure daily grounds tasks are completed.

Duties and Responsibilities

- Maintain turf areas (including mowing, trimming, and equipment maintenance)
- Assist in planting of seasonal annuals, perennials, trees and shrubs
- Weed management
- Assist in special events staffing
- Assist in irrigation installation and repair
- Engage with park guests concerning proper techniques of landscape management

Qualifications

- Experienced in landscape and turf management
- Proven skills and ability to organize and carry out work on a daily basis
- Experienced in small equipment operation and maintenance

Key Skill Areas

- Knowledge of proper planting techniques
- Fertilizer and pesticide application
- Small equipment operation
- The Grounds Worker position requires a great amount of physical activity and the ability to work outdoors in a wide range of weather conditions. These activities include but are not limited to walking, standing, kneeling, sitting, climbing, and lifting.
